2. Communication Requirements

The buyer agrees to maintain timely and professional communication through phone, email, or the GoodDog platform. All communication must be conducted by an adult decision-maker (18 years or older). Failure to respond within 72 hours to breeder communications regarding pickup arrangements, payment deadlines, or other critical matters may result in forfeiture of the deposit and placement of the puppy with another family.

3. Pickup Arrangements:

Pickup of the puppy must occur on the agreed date(s) unless alternate arrangements are made in writing. A fee of \$___ per day will apply for boarding if the pickup is delayed beyond the agreed date. Failure to arrange pickup within seven (7) days of the scheduled date may result in forfeiture of the deposit and placement of the puppy with another family.

4. Final Payment:

The final balance must be paid in full by the agreed due date. Payment methods accepted:

If the final payment is not received by the due date, the deposit will be forfeited, and the puppy may be rehomed.

5. Puppy Selection

Puppies are matched primarily based on temperament evaluations to ensure the best fit for each family. While the breeder provides recommendations based on their expertise, the final choice is made by the buyer. However, the breeder reserves the right to decline placement if it is determined that the match would not be in the puppy's or family's best interest.

6. Return Policy

All puppies are sold under a strict return agreement. If the buyer cannot retain the puppy for any reason, the puppy must be returned to the breeder. Rehoming or selling the puppy to a third party is strictly prohibited.
